EDUCATIONAL TRAVEL

SOAR BEYOND THE SYLLABUS

12 YEARS EXPERIENCE

Since 2011 Libertas Travel has been a leading, accredited provider of educational travel - delivering syllabus-based study tours, learning adventures and excursions for secondary school students & teachers to destinations around the world.

What makes Libertas Travel different?
Libertas Travel is an Australian company based in Sydney. We are passionate about engaging young people in hands-on learning and cultural immersion, sparking their curiosity, encouraging critical thought and problem-solving and enhancing the impact of classroom learning.

We listen to what schools want
We work closely with partner schools to design tours that align with HSC and IB learning outcomes. We take a brief from the lead teacher and tailor an itinerary to meet their goals, budget and preferred modes of learning.

Inclusive pricing
We provide schools with an all-inclusive price per student - generally for return international economy airfares, breakfasts and dinners, and transport, entry to sites, guides and the services of a Libertas Travel Tour Manager. The only real expenses once on the ground are personal spending money & lunches.

Experienced Tour Managers
We engage experienced Tour Managers to accompany every tour from start to finish. They manage tour logistics, provide knowledgeable commentary, and troubleshoot should any issues arise. This gives teachers a more relaxed experience as well as providing families with the peace of mind that teachers can focus on the pastoral care of students.

Links with global tour partners and guides
Libertas Travel has established trusted links with a network of global educational institutions, museums, and expert guides offering an extensive range of learning opportunities - from hands-on workshops to tutorials, guided visits to cultural immersion.

Safe travel focus
The safety and wellbeing of travellers is central to what we do. We closely monitor Australia's best advisory bodies for all destinations and travel points for our tours - right up to the departure date and for the duration of the tour. We have safety protocols in place to manage any on-tour incidents or emergencies.
